

## Design Tool 10.1: Partnership Possibilities

*Directions for STEM and CTE teachers:* Fill in your thoughts for the area you teach. Then discuss your responses with one another. As you talk you may discover other areas where your teaching overlaps. Add these areas in the blank columns at the bottom of the chart.

Partnership Possibilities	STEM—How We Do This Now: What This Looks Like in STEM	CTE—How We Do This Now: What This Looks Like in CTE
Hands-on instruction		
Use math and science		
Build teamwork skills		
Use technology		
Encourage student diversity		
Build career awareness
